
Priority Species and Ecological Communities Protected by Voluntary Registration

Rare Plants

Ames milk-vetch (1)
Arthur's milk-vetch (1)
basalt daisy (2)
blue-eyed grass (1)
Bradshaw's lomatium (1)
Chelan rockmat (2)
clustered lady's slipper (1)
golden paintbrush (3)
hot-rock penstemon (2)
Howell's daisy (1)
Jessica's aster (2)
Kincaid's sulphur lupine (1)
long-bearded sego lily (2)
marsh muhly (1)
northwest raspberry (2)
obscure buttercup (5)
Oregon coyote-thistle (2)
pale blue-eyed grass (1)
Palouse goldenweed (3)
Pauper's milk vetch (3)
Sabin's lupine (1)
small-flowered trillium (2)
Spalding's silene (3)
sticky phacelia (3)
Thompson's clover (1)
Washington polemonium (2)
Wenatchee larkspur (3)
Wenatchee Mtn. checker-mallow (2)
white eatonella (1)
Whited's milkvetch (2)
white-top aster (1)
yellow sedge (1)

Rare Animals

peregrine falcon (1)
snowy plover (1)
larch mountain salamander (1)
Mardon skipper (1)

Ecological Communities

big sagebrush/bluebunch wheatgrass shrub steppe (2)
big sagebrush/Idaho fescue shrub steppe (3)
big sagebrush/needle-and-thread shrub steppe (1)
bluebunch wheatgrass-Idaho fescue Palouse grassland (4)
bluebunch wheatgrass-Sandberg's bluegrass grassland (5)
Douglas fir/ninebark forest (1)
Douglas fir-Pacific madrone/salal forest (1)
Douglas fir-western hemlock/salal forest (1)
Douglas fir-western hemlock/Pacific rhododendron forest (1)
high salinity lagoon (1)
Idaho fescue/snowberry grassland (3)
low elevation freshwater wetland (1)
low elevation sphagnum bog (1)
low-salinity high marsh (1)
moderate-salinity high marsh (1)
ponderosa pine/ninebark forest (1)
ponderosa pine/snowberry forest (3)
red threeawn-Sandberg's bluegrass grassland (1)
rough fescue-Idaho fescue grassland (1)
sandy, high-salinity, low marsh (2)
sandy, moderate-salinity, low marsh (2)
silty, moderate-salinity, low marsh (1)
snow buckwheat/Sandberg's bluegrass scabland (1)
threetip sagebrush/Idaho fescue shrub steppe (2)
transition zone wetland (2)
western hemlock/swordfern forest (2)

The number of sites registered is indicated in parentheses.
